phleeep wrote: When I click the "arm disk recording" icon in the mixer, FI wants to record by default in the "recorded" folder that resides in the patches folder. Can I change this default path to a different "recorded" folder on another drive? When I close and reopen FI Studio, it points back to the default "recorded" folder each time (the one on my c drive).

If a recording studio books a top music producer, the recording studio gets a booking fee of 10% of the amount the producer charges. For example, if the producer's fee for the project is \$100,000 and the recording studio found the job for them, the recording studio gets a 10% (\$10,000) commission from that producer's fee.
