Since it's a search engine. browsing for books is almost impossible. The closest thing you can do is use the Authors dropdown in the navigation bar to browse by authors—and even then, you'll have to get used to the terrible user interface of the site overall.

28 Stories Of Aids In

For the past six years, Stephanie Nolen has traced AIDS across Africa, and 28 is the result: an unprecedented, uniquely human portrait of the continent in crisis. Through riveting, anecdotal stories, she brings to life men, women, and children involved in every AIDS arena, making them familiar.

28: Stories of AIDS in Africa: Nolen, Stephanie ...

This is a must-read for everyone. 28: Stories of Aids in Africa is a moving book compiled with stories from 28 Africans affected by AIDS (one story for every million individuals with HIV/AIDS in Africa), beautifully written by Canadian Stephanie Nolen. Each story was well-crafted while not being wordy.

28: Stories of AIDS in Africa by Stephanie Nolen

Though there have been many books published about the AIDS epidemic in Africa that discuss it through the lens of politics, economics and, of course, health and science, very few have touched on it at the personal level. 28 Stories literally tells the story of 28 different people (one for every million people infected with the virus) who have been effected in different ways, in 28 different places by HIV/AIDS. By juxtaposing stories of activists, health workers and clergymen who are infected ...
