He was also a scholar of history, folklore, languages, and the occult. In this groundbreaking study of Atlantis, he draws on all these disciplines, as well as ancient maps, Plato's dialogues, and folkloric narratives, to provide the most compelling case yet of the disappearance of an entire civilization. Professor Santos demonstrates that Plato's dating of Atlantis's disappearance in 11,600 BP (before present) precisely corresponds to the catastrophic end of the Pleistocene Ice Age, as ...

Lost lands are islands or continents believed by some to have existed during pre-history, but to have since disappeared as a result of catastrophic geological phenomena. Such continents are generally thought to have subsided into the sea, leaving behind only a few traces or legends by which they may be known. Legends of lost lands often originated as scholarly or scientific theories, only to be picked up by writers and individuals outside the academy. Occult and New Age writers have made use of
