Being Aboriginal Comments Observations And

Historian Professor Peter Read, then at the Australian National University, was the first to use the phrase "stolen generation". He published a magazine article on the topic with this title, based on his research. He expanded the article into a book, *The Stolen Generations* (1981). Widespread awareness of the Stolen Generations, and the practices that created them, grew in the late 1980s through ...

Some Aboriginal people on social media can be quick to pull out this term when they respond to non-Aboriginal comments. Being passive can also be a form of racism. "The majority of Australians are not racist per se," says Gerry Georgatos, a journalist writing for *The Stringer*, "however passivity is a layer of racism and that should always ...

Racism in Aboriginal Australia - Creative Spirits

Improving the health status of Indigenous peoples¹ in Australia is a longstanding challenge for governments in Australia. The gap in health status between Indigenous and non-Indigenous Australians remains unacceptably wide.² It has been identified as a human rights concern by United Nations committees³; and acknowledged as such by Australian governments⁴.

Social determinants and the health of Indigenous peoples ...

A Catholic Aboriginal mission was established on Bathurst Island in 1911 with the land being granted by the South Australian Government in 1910. Father Francis Gsell arrived and selected a site for the mission on the south-eastern tip of Bathurst Island making sure that the location had no sacred significance to the Tiwi people.

Martina, the first of priest's 150 Aboriginal wives ...

The Geminids meteor shower appears to radiate from beside star Castor in constellation Gemini. This view is looking north from Sydney (and from almost anywhere in Australia) at 1am on Monday December 14 2020.

How to observe the Geminids meteor shower in December 2020

• Imagine being told that you should be living in the bush or anywhere else but in town, next door or across the street. And, if you don't quite fit the stereotype, then you may be declared to not be a 'real' Aboriginal or Torres Strait Islander.

Education Today

Story: The tea pot treatment Perth man Jarred Wall was having lunch with a friend in Fremantle when he heard two elderly ladies talking about Aboriginal people. "The conversation was less than distasteful with words like assimilation being thrown around willy nilly," he wrote in a Facebook post. "I could have unleashed a tirade of abuse but that wouldn't have helped."

How to deal with racist people - Creative Spirits

The Sixties Scoop refers to a practice that occurred in Canada of taking, or "scooping up," Indigenous children from their families and communities for placement in foster homes or adoption. Despite the reference to one decade, the Sixties Scoop began in the late 1950s and persisted into the 1980s. It is estimated that a total of 20,000 aboriginal children were taken from their families and ...

Steven, I assume by "where" you mean where on the horizon, i.e. the azimuth, of the Sun's rise or set. If I were to calculate this from scratch I would use the Astronomical Almanac for the current year to find the Sun's position (on the celestial sphere) for the date of interest, then use the algorithms in a textbook on Spherical Astronomy (I have an old copy of W.M. Smart's ...

How to calculate sunrise and set - a worked example ...

A lot of the comments seem to be discussing social anxiety, which is not the same as loneliness. In my late-teens and early-20s I was extremely anxious in social situations but I did not feel lonely. Social anxiety, and the isolation that often results from it, can contribute to a person feeling lonely but the two concepts are not synonymous.

Lonely people's brains are different due to excess of ...

Improving the health status of Aboriginal and Torres Strait Islander peoples is a longstanding challenge for governments in Australia. While there have been improvements made in some areas since the 1970s (notably in reducing high rates of infant mortality¹) overall progress has been slow and inconsistent. The inequality gap between Aboriginal and Torres Strait Islander peoples and other ...

Achieving Aboriginal and Torres Strait Islander health ...

Dark Emu puts forward an argument for a reconsideration of the hunter-gatherer tag for precolonial Aboriginal Australians. The evidence insists that Aboriginal people right across the continent were using domesticated plants, sowing, harvesting, irrigating and storing - behaviours inconsistent with the hunter-gatherer tag.

Dark Emu by Bruce Pascoe - Goodreads

The Aboriginal Community Safety Planning Initiative (ACSPI or the Initiative) began in 2010 and was renewed in 2014 as part of the Action Plan to Address Family Violence and Violent Crimes Against Aboriginal Women and Girls. ... The High Court has rejected a claim police were "trespassing" when they breathalysed and arrested a Northern Territory woman for being drunk in her own home in breach of a domestic violence order.

High Court rejects claim NT police 'trespassed' when ...

Aboriginal warriors were armed with bows and clubs that would have been as effective as Norse bows and axes in fighting small skirmishes, their canoes were easier to manoeuvre than Viking boats, and they were in a familiar environment. Being too few in number to sustain a war, the Vikings abandoned their settlement after only two years.
