Birth Reborn Odent Michel

Reviewed in the United States on June 5, 2001 On the surface, Birth Reborn is a detailed description of the transformation in birthing practices that occurred at Pithiviers, a state run French hospital. Questioning conventional obstetrical wisdom, Dr. Michel Odent led this change at Pithiviers.

Birth Reborn : What Childbirth Should Be: Odent, Michel

...

It is central to his philosophy that birth is instinctive, and that an environment that promotes intimacy and creativity is essential in the experience of birth, and that the role of the midwife must be key to the mother's experience. Michel Odent has returned birth to how it should be. Birth Reborn gives expectant mothers the confidence and information they need in order to trust themselves to give birth without the drugs and medical procedures that are being increasingly recognised as ...
