Blind Spots Why We Fail

But we are not as ethical as we think we are. In Blind Spots, leading business ethicists Max Bazerman and Ann Tenbrunsel examine the ways we overestimate our ability to do what is right and how we act unethically without meaning to. From the collapse of Enron and corruption in the tobacco industry, to sales of the defective Ford Pinto, the ...

Blind Spots: Why We Fail to Do What's Right and What to Do ...

Explaining why traditional approaches to ethics don't work, the book considers how blind spots like ethical fading--the removal of ethics from the decision--making process--have led to tragedies and scandals such as the Challenger space shuttle disaster, steroid use in Major League Baseball, the crash in the financial markets, and the energy crisis. The authors demonstrate how ethical standards shift, how we neglect to notice and act on the unethical behavior of others, and how compliance ...

Amazon.com: Blind Spots: Why We Fail to Do What's Right ...

" Blind Spots is a good book. It tells a story in a clear and compelling fashion, which is what a book is for. The story is that we often act unethically, not because we're faced with ethical questions and decide to pick the 'bad' option, but because we fail to see that there is an ethical issue at all."

Blind Spots Why We Fail to Do whats Right & What to Do ...

Blind Spots is not just about these criminals, but about a much larger problem-the dishonest actions that we all take while still thinking of ourselves as wonderfully moral people. In this important book, Bazerman and Tenbrunsel show us how we fail to see our own immoral actions in an objective light, and the trouble that this biased view gets us into."—Dan Ariely, author of Predictably Irrational

Blind Spots: Why We Fail to Do What's Right and What to Do ...

Tenbrunsel . . . set out to show that if we are to make ethical decisions, we need to recognize such blind spots in ourselves as our failure to view our own immoral actions objectively and our tendency to act based on how we want to behave rather than on how we should.'---Susan Schwartz, Montreal Gazette Read more From the Back Cover 'This fascinating book holds up a desperately needed mirror that objectively reveals a reflection we might not want to see.
