Psychology can be applied to everyday life in many ways. The three main ways Psychology applies to my life is through motivation and emotion, Stress and health and Psychological therapies. These topics of psychology are the ones that best describe my life. When most people think of psychology they think of therapists and psychological disorders.

Psychology Applied to Everyday Life Essay - RuachWords

Dissociation is any of a wide array of experiences, ranging from a mild emotional detachment from the immediate surroundings, to a more severe disconnection from physical and emotional experiences. The major characteristic of all dissociative phenomena involves a detachment from reality, rather than a loss of reality as in psychosis.. Dissociation is commonly displayed on a continuum.
