A few years after the release of their phenomenally successful YOU series for adults, Dr. Mehmet Oz and Dr. Mike Roizen have turned their attention to teenagers. While Dr. Oz and Dr. Roizen wrote the YOU series for people of all ages, teens looking for answers about their changing, growing bodies needed a book of their own - YOU: The Owner's Manual for Teens. YOU for teens covers everything from biological changes to tips on how to improve grades. In this excerpt, Dr. Oz and Dr. Roizen share ...

YOU | The Dr. Oz Show

Between your full-length mirror and high-school biology class, you probably think you know a lot about the human body. While it's true that we live in an age when we're as obsessed with our bodies as we are with celebrity hairstyles, the reality is that most of us know very little about what chugs, churns, and thumps throughout this miraculous, scientific, and artistic system of anatomy.
