In the 1950s, comedy writer Roger Price created 'Doodles' cartoons of simple, abstract images with absurd meanings. Try your hand and see if you can figure out what these are pictures of—the ...

Can You Figure Out These 1950s Brainteasers? | Reader's Digest

"Doodles" are picture puzzles that may be interpreted with words in many different ways. There is no single correct answer with a doodle -- every reasonable response is as acceptable as the next! To get started with this activity, introduce your students to the doodle with the Exploratorium's The Meaning of Doodles page. If you prefer, you may print this page and use the information as the basis for instruction.

the answer to the Classic Doodle on the right ... Can You Guess What it is? The answer from the artist is - A witch on a broomstick (from a high angle - top looking down - of course) Aim: What are Doodles? What's a... duh... Doodle? A doodle is a doodle riddle. Or a riddle doodle. It's this scribble a friend makes up.

- Eric Elford OR, Stephanie, Anaheim, CA, USA

Since the majority of doodles in the archive are pupils' answers to written questionnaires, then the textual part of the question is not presented. The attribute of an answer is the most informative for the user, since it contains figurative explanation to the drawing itself. For instance, we know that a bear is one of the most productive characters of a doodle, but what about a bamboo bear?
