Due Diligence Handbook, : Corporate Governance, Risk ...

A recent case of due diligence scuppering a major acquisition highlights for me one of the core issues of corporate governance (and why corporate governance is important): the separation of ownership and control. But this time I put the spotlight on the investor companies not the businesses being acquired. The amount and depth of due diligence performed will vary depending on whether the company is using other people's money or its own.

Due diligence and Corporate Governance | Applied Corporate ...

The basic function of due diligence in any merger or acquisition is to assess the potential risks of a proposed transaction by inquiring into all relevant aspects of the past, present, and predictable future of the business to be purchased.
