Eat Up - Serpent's Tail Books

I've gotta be upfront: I love Ruby Tandoh, the author of *Eat Up*. She was one of my favorite contestants on reality show *Great British Bake Off* and the co-editor of a lil zine that I adored (click for review). In this book and in all things, Tandoh has an approach to talking about the human relationship with food that I instantly devoured and wish more people were shouting about from the rooftops.

Eat Up: Food, Appetite and Eating What You Want by Ruby ...

Bananas – Bananas are perhaps the healthiest food you can eat when you are experiencing a loss of appetite. If along with appetite loss, you are also experiencing queasiness, then low-fat and bland foods would be ideal for you. Bananas are the best type of bland food you can choose.
