However - history.notgrass.com

1. Society's wants are unlimited, but ALL resources are limited (scarcity). 2. Due to scarcity, choices must be made. Every choice has a cost (a trade-off). 3. Everyone's goal is to make choices that maximize their satisfaction. Everyone acts in their own "self-interest." 4.

UNIT 1: Basic Economic Concepts

of each lesson, on that day. The actual time a student spends on a given day might vary, but you should allow your student about one hour each day for economics and one hour for English. If you are using the Student Review material, the work for the last day of each unit includes the unit quiz, which will require a few more minutes that day.
