Email marketing allows you to target particular groups of customers or even specific individuals. Offering individual customers special birthday deals on merchandise or services is one way to do this. A restaurant, for instance, might send an email to customers on their birthdays offering 50% off an entree.

Email Marketing. Email marketing has been around for decades, but it is still one of the most effective digital marketing channels available when it's done well. Email today needs to feel like one-on-one conversations with each audience member, but it also needs to scale. Make sure your strategies are up-to-date so your emails are getting delivered and cutting
