Escaping Education Living As Learning

Escaping Education challenges the modern certainty that education is a universal good and a human right. It opens doors to alternative landscapes of learning and living that still flourish at the grassroots, within the cultures of the uneducated, the undereducated, and the illiterate who constitute the social majorities or the Two-Thirds World.

Escaping Education: Living As Learning Within Grassroots ...

ERIC - ED448962 - Escaping Education: Living as Learning within Grassroots Cultures. Counterpoints: Studies in the Postmodern Theory of Education, Vol. 36., 1998. This book challenges the modern certainty that education is a universal good and a human right and celebrates the well-being still enjoyed in the commons and cultures of people living at the grassroots.
