### Fairness Opinions And Liability

Over the nearly 40 years since Van Gorkom, fairness opinions have been obtained to improve the decision-making ability of directors and mitigate their risk of personal liability. A fairness opinion improves the board's decision-making ability by providing directors with insights into the intrinsic value of what is being surrendered and obtained in a potential transaction.

### Four critical questions when obtaining a fairness opinion ...

Fairness opinions can best be defined as an investment banker's assessment of the financial "reasonableness and equitableness" of a proposed offer for the target company's shareholders. In this clearly written book, Mr.Parijs investigates within the Dutch legal context how and why fairness opinions arise and what they might mean.

### Fairness Opinions and Liability: Parijs, Sergei ...

Failure to do appropriate due diligence can subject corporate officials to liability to shareholders; fairness opinions can be cited by corporate officials as an indication that due care was exhibited in voting to approve or enter into a transaction. Like corporations, attorneys have a fiduciary duty to their clients.

### A Guide to Fairness Opinions | Mark S. Gottlieb

The court believed the liability could have been avoided had the directors elicited a "fairness opinion from anyone in a position to know the firm's value." In Smith v. Van Gorkom , the court ruled against the board of directors of TransUnion Corporation, who voted for a leveraged buyout, based in part on the absence of a fairness opinion from an independent financial advisor.

### Fairness Opinions: A Brief Primer | Stout

The fairness opinion helps in decision-making, enhancing communication, and mitigating any risks that may arise after a deal. It also provides a defense in a court of law should a shareholder or any other stakeholder file a lawsuit against the company's directors – either for accepting, or rejecting, a bid offer.

### Fairness Opinions And Liability

There is a consensus that the fairness opinion is a powerful tool in protecting boards of directors from liability related to a transaction. For a public company, a board of directors' careful consideration of an independent fairness opinion can be the strongest protection against accusations of, and liability for, fiduciary failure.

### Why Get a Fairness Opinion for a Privately Held Company?

As fairness opinions have become more common, the liability that an investment bank may incur as a result of issuing an opinion has become an issue of great importance. (6) Courts differ on the extent to which an investment bank may face liability to shareholders of a company when that bank issues a fairness opinion to that company's board of directors, (7) and scholars disagree on the most appropriate solution.
