Ham radio (Amateur
Radio) and 2 way
radios in general are
very popular subjects
in the preparedness
community, and for
good reason. Being
able to communicate
and gather information
in a disaster or SHTF
scenario can and will
be a game changer.

Amateur (Ham) Radio

"Go-Box" The best way to describe a go-box is a complete amateur radio station in a box.

There are many examples where this has been achieved, but usually the biggest issue is the power source and the associated weight.
