The Heath Anthology of American Literature, Volume 2 by

...

The Heath Anthology particularly encourages this range of approaches because, in this sense, the view of American literature underwriting the Heath is what we might call a "post-print" paradigm: not linear but multilinear, not univocal but dialogic, organized not to tell a story, but to open up a complicated matrix of issues and perspectives.

This new anthology will be suitable not only for courses on the captivity genre, but also for more general classes on American colonial or frontier literature and history. The introductory essays explain how each text emerges from the events of its time, and how it has evolved into myth in the years since it appeared.
