Professional performance does not always require gas. Husqvarna's battery-powered chainsaws are highly efficient and equipped with a powerful lithium-ion battery pack. These quiet, lightweight and eco-friendly chainsaws deliver up to 10 hours of run-time between charges when used with a backpack battery. The power and torque are high, while operational costs remain extremely low when ...

Husqvarna's model 40 chainsaw is designed as a mid-range saw for light and occasional homeowner cutting needs. This saw is smaller and lighter than a professional felling saw but bigger and stronger than an electric chainsaw. The specifications for this chainsaw have been set at Husqvarna to achieve the maximum performance.
