International Investment Arbitration: Substantive ...

By Campbell McLachlan, Laurence Shore & Matthew Weiniger, Published by Oxford University Press, May 2017. The legal principles that have developed in investment arbitration are subject to intense debate and are still in a state of flux. While tribunals routinely state that they are applying principles of public international law, many principles applied have only been developed recently, and tribunals are often guided more by the approaches taken by other tribunals than by pre-existing ...
