Contract law governs the legality of agreements made between two or more parties when there is an exchange of some sort intended to take place. In nearly all business transactions, contracts are made. Such contracts, even if made by a verbal agreement, are legally enforceable, as an obligation to fulfill the terms of the agreement has been created.

Contract Law For Dummies Cheat Sheet - dummies

English contract law's history was heavily influenced by Ancient Greek and Roman thought. In The Laws, Plato devoted little attention to forms of agreement, but recognized the same basic categories for cancelling agreements as exist today. Roman law identified discrete categories of contractual transaction, each with its own requirements, which needed to be fulfilled in order for promises to ...
