The median #2 value for Land Rover Series II/IIA models has increased 18 percent in the past two years, standing now at \$39,000. Series II and IIA values increased by almost 2 percent across the board in the last two months, which is a larger increase than most other vehicles in the we track.

Values for the 1959-71 Land Rover Series II/Series IIA ...

Landrover Series 2a - 1966 This is one of Landrovers most sought after Classics, becoming harder to find and appreciating in value every year. The series 2 has the headlights mounted in the grille panel, shortly after they were mounted on the front of the front wings, and have kept

Land Rover Series 2a - Home

The Series Ila revised version of the Land Rover made its debut in 1961 and is regarded by many Land Rover aficionados as the version that Rover got right. It is generally thought of as the most durable and easily repairable of the "Series" Land Rovers.

A Brief History of the Land Rover Series II, IIA and IIB FC

The Land Rover series I, II, and III, or simply the Land-Rover, are compact British off-road vehicles, produced by the Rover Company since 1948, and later by British Leyland. Though unapologetically inspired by the World War II Jeep, the Land Rover immediately distinguished itself from all other cars. From launch, it was the first mass-produced civilian four-wheel drive car with doors on it, and an available hard roof. Contrary to conventional car and truck chassis, it used a sturdier fully box-

Land Rover series - Wikipedia

The club is actually a limited company whose sole aim is to further the appreciation, restoration and driving of all Land Rovers built between 1958 and 1971. The Series 2 Land Rovers are instantly recognisable, the world over by the curvy barrel sides; the quintessential Land Rover look.

The Series 2 Landrover Club

Land Rover used the Series IIA as a transitional model between the Series II and the Series III, the lights were moved from the grill to the front wings in 1969, a new diesel engine was offered (closely based on the 2.25 litre petrol engine), and in 1967 a 2.6 litre inline 6 cylinder petrol engine was introduced (for the LWB models).

land rover series 2a for sale | eBay

Jeff Lavery This 1966 Land Rover Series IIA 88 is a claimed-to-be rare Searle Safari conversion, a model I had not heard of before this one popped up for sale. The seller notes it was designed to make the Series II more overnight-friendly by removing the bulkhead and installed rear seats that could be converted into beds.
