The mission of the Elementary Math Department is to promote the learning of mathematics by all students through the curriculum that is coherent and comprehensive. The instructional program will enable all students to understand and use mathematics in an increasingly technological world.

Teaching and Learning / Mathematics - Elementary

Math is a crucial subject to learning success, which students will continue through each grade of their school journey. Give your child a head start for more advanced math practice by showing them that they can actually enjoy solving equations! Forget dull and dry lessons that you have to convince reluctant students to complete.
