A logo is a graphic mark, emblem, or symbol used to aid and promote public identification and recognition. It may be of an abstract or figurative design or include the text of the name it represents as in a wordmark. In the days of hot metal typesetting, a logotype was one word cast as a single piece of type, as opposed to a ligature, which is two or more letters joined, but not forming a word. By extension, the term was also used for a uniquely set and arranged typeface or colophon. At the leve

In brief: A logo is a word, a symbol is a picture, and a combination mark is a PB&J mashing up the two. But really, in most circumstances, using "logo" for everything is just fine, say Pentagram's...

What's The Difference Between A Logo And A Symbol?

1. Jim Crow pose. Fifty seconds into the video, Gambino executes a hooded man who seconds earlier was strumming a guitar to the song. People on Twitter quickly pointed out the similarity between Gambino's pose and old jim Crow sketches. As the man falls to the ground and is quickly dragged away, the gun is delicately handed off to a man who cradles it in a cloth.

The Iron Cross is a famous German military medal dating back to the 19th century. During the 1930s, the Nazi regime in Germany superimposed a swastika on the traditional medal, turning it into a Nazi symbol. After World War II, the medal was discontinued but neo-Nazis and other white supremacists subsequently adopted it as a hate symbol and it has been a commonly-used hate symbol ever since.

It should be noted that eagles are a common symbol among nations worldwide, including the United States, and not every image of an eagle is derivative of the Nazi eagle. It is not uncommon, for example, for some Americans to mistake the Blue Eagle logo of the Roosevelt-era National Recovery Administration for a Nazi-derived symbol.
