### Manual Bill Of Lading

A bill of lading is a document utilized in the transportation of goods. The document, sometimes abbreviated as BOL or B/L, is an agreement between the shipper and the carrier and details the goods contained in the shipment, the recipient and delivery destination.

### Bill of Lading Form | Printable Template

Simply put, the Bill of Lading or BoL or B/L is a receipt. The document acknowledges that the carrier (or the agent) has received the goods (cargo or shipment). Though the British term refers strictly to shipping, the American definition is not as strict and can be applied to the transportation of any type of good.

### What is a Bill of Lading (B/L or BoL)? [UPDATED 2020]

Switch Bill of Lading: A complete manual and word of advice In an increasingly globalized world with segmented economies, shipping agents find themselves dealing with more trading companies and their foreign-to-foreign transactions than the old-fashioned factory-to-importer shipments.
