Many Waters Madeleine L'Engle Time

Many Waters is a 1986 novel by Madeleine L'Engle, part of the author's Time Quintet. The title is taken from the Song of Solomon 8:7: "Many waters cannot quench love, neither can the floods drown it. If a man were to give all his wealth for love, it would be utterly scorned." The principal characters of the story are Sandy and Dennys Murry, twin brothers who are somewhat out of place in the context of the multifarious and eccentric Murry family from *A Wrinkle in Time*. The action of the story fol

I love this series from Madeleine L'Engle and I've read Many Waters a number of times. In listening to it, I found that it is a better book read than heard. I'm not sure if that came from the narration or if the book really was more simplistically written than Wrinkle In Time series featuring Meg and Charles Wallace.
