Mech. engineers have largest number of choices in jobs because it is a core branch and machines are used everywhere. How good your career as an engineer is depends on your college and your knowledge.

Best books to read in mechanical engineering 1st year?

Bookmark File PDF Mechanical Engineering 1st Year Notes

At the end of the year you don't have to make exam notes cuz you've been making them all year. (It's extremely helpful for math courses.)-linear alg, chemistry, and calc are mostly review for the first half of the semester and then they start new content-the ecor 1010 exam is fucked so actually study for it
