The Mini Hatch (stylised as MINI hatch, or MINI Hardtop in the US), also known as Mini Cooper, Mini One, or simply the Mini, is a three-door or five door hatchback first introduced in late 2000 by German automotive company BMW. The second generation was launched in 2006 and the third in 2014. A convertible version was introduced in 2004, with the second generation following in 2008.

Mini Hatch - Wikipedia

A MINI R56 thermostat replacement is a relatively straightforward procedure that does not require the engine compartment to be put in the service position. It does require that the engine's wiring harness be partially disconnected, so be sure to always disconnect the battery before starting this repair.
