Polaroid Land Camera Automatic 104

The 104 was one of the earliest 'consumer' models of the 100-400 series line of folding Packfilm Land Cameras, similar to many other models; this model features a non-folding, Polaroid-designed zone focusing system and a 2 element plastic lens. It was available with a black leather case as pictured.

The Polaroid Corporation, most well-known for the instant film cameras it began manufacturing in 1948, was first established in 1937. But in 2001, the company filed for bankruptcy protection, and all of its assets were subsequently sold to Bank One. The new company continued to produce Polaroid instant cameras until February 2008, when manufacturing was discontinued as a result of the growing ...
