FERPA gives both parents, custodial and noncustodial, equal access to student information unless the school has evidence of a court order or state law revoking these rights. When students reach the age of 18, or when they become students at postsecondary education institutions, they become "eligible students" and rights under FERPA transfer to them.

This doesn't even look at the students who sued schools after being disciplined for other honor code violations. Those cases are at least equally as plentiful. In short, students who feel slighted by the school's disciplinary process are taking to the courts and, along the way, are dragging their schools through the legal process.
