### **Queer Theology: Rethinking the Western Body by John Wiley ...**

Queer theology is a theological method that has developed out of the philosophical approach of queer theory, built upon scholars such as Michel Foucault, Gayle Rubin, Eve Kosofsky Sedgwick, and Judith Butler. Queer theology begins with an assumption that gender non-conformity and gay, lesbian and bisexual desire have always been present in human history, including the Bible. It was at one time separated into two separate theologies; gay theology and lesbian theology. Later, the two would merge t
