The key to talking to your warm market or any person is to not take it personally if they don't join your business.. Be committed to the process and not the result. That's how you will eventually build your network marketing business fast! If you are only focused on the result, you might end up nagging the same few people over and over.

you'll need to save for taxes. Your tax advisor can tell you how much of each check should be paid in for taxes. And one more piece of advice: If you have the ability, I'd encourage you to NOT spend your Network Marketing money. Have that be your future,

## **How to Start Your Network Marketing Business Right**

I understand your frustration. I'm talking about network marketers, who put a lot of effort into their home business but just don't get the results they desire. The truth is that working hard at the how-to is not enough. To get significant results, you need to create a winning network marketing mindset.
