Generally, federal charges cannot be filed until extensive evidence is compiled and the case is reviewed and deemed acceptable by a governing body. Federal-level charges are usually investigated by a government agency, such as the Federal Bureau of Investigation (FBI) and prosecuted by a special federal prosecutor. Another way federal charges can result is if a person commits a crime on federal land, such as in a national park.

What are Federal Charges? (with pictures)

Federal offenses are prosecuted by government agencies such as the Federal Bureau of Investigation (FBI) and can oftentimes carry penalties that are far more severe than those levied by state courts. If you are under investigation by a federal agency or have already been indicted on federal charges, your future may be at stake.

Federal v. State Charges | Federal Crime Attorney

Whether you've been charged with a federal crime can be a surprisingly tricky question. Sometimes it is obvious. If you were physically arrested by an FBI agent - or other federal law enforcement officer - and brought to a federal district court and presented to a magistrate, then you have definitely been charged.
