Politics and Government News - CNBC

"Within the American system of government, the states play an extremely important role. For that reason, I think that residents of all states have a need to become as well informed as possible about the structure and workings of their state governments, and about the political forces that influence the workings of their state governments.

The Government and Politics of New York State: Zimmerman ...

The government of the United States is based on a written constitution. At 4,400 words, it is the shortest national constitution in the world. On June 21, 1788, New Hampshire ratified the Constitution giving it the necessary 9 out of 13 votes needed for the Constitution to pass. It officially went into effect on March 4, 1789.

New York - New York - Government and society: New York's constitution prescribes the distribution of powers among the branches of state government as well as the system of local government throughout the state. However, the document is extremely detailed and includes provisions that most constitutional scholars consider more appropriately treated in legislative statutes than in a constitution.

New York - Government and society | Britannica

Politics of New York have evolved over time. The Democratic Party dominates politics in the state, with the Democrats representing a plurality of voters in New York State, constituting over twice as many registered voters as any other political party affiliation or lack thereof. And having control or a majority at all levels of state and local government, holding all state level elected offices.

Politics of New York (state) - Wikipedia

An ability to deal with the state government is also crucial, especially on matters of education funding. [citation needed] The Working Families Party, affiliated with the labor movement and progressive community activists, is a force in city politics. Party platforms are centered on affordable housing, education and economic development.
