The New World Order: Facts & Fiction by Mark Dice

The New World Order (or NWO) is the belief that an elite group has taken or is near takeover of the entire world. This conspiracy theory is usually associated with belief in a one-world government that seeks to suppress those who oppose its ways.

The New World Order - What is it?

The common theme in conspiracy theories about a New World Order is that a secretive power elite with a globalist agenda is conspiring to eventually rule the world through an authoritarian world government—which will replace sovereign nation-states—and an all-encompassing propaganda whose ideology hails the establishment of the New World Order as the culmination of history's progress.
