Finally, a word from an old friend. She was online for only a brief instant before she severed her communication channel, probably to continue to fly under the radar and avoid Omnivore. My guess is, given this new information, that a new status quo may already have come into play with regards to Niantic's shuttered Geneva facility; although I do not yet have any evidence to confirm ...

## **Niantic Project**

Definitely don't bother if you don't play Ingress; but even if you do, probably still don't bother. It's supposed to be telling the story of the early days of the Niantic Project, and follows a couple of the main characters through various escapades. But the writing is pretty horrific.

## **The Niantic Project: Ingress by Felicia Hajra-Lee**

We originally teased the concept of the Dronenet in the Niantic Project ARG before Ingress released in Nov 2012. Eagle-eyed Agents may recall Drone Footage of California City, CA that led back to Roland Jarvis, or videos shared by Ben Jackland. Dronenet Canisters were also dead dropped for Campus Agents in New York, SF, LA, and Austin, which ...
