The Palace of Illusions Summary and Study Guide | SuperSummary

Built in less than three months, the "palace of illusions" was one of the lost treasures of Henry's reign; an Italian observer thought that even Leonardo da Vinci could not have improved upon it. 1 Designed on a 328-foot-square quadrangular plan with a gatehouse and battlements, it was built of timber on stone and brick foundations, and was covered with canvas painted to look like brickwork or masonry. The most impressive room was a dining hall with a ceiling of green silk studded with ...

Palace of Illusions features disillusioned protagonists trapped by their circumstances. A few stories have hopeful moments, but most them end unresolved and on a downbeat. I'm a big fan of the author's poetry and nonfiction, but the short stories were harder to manage for me, in part because they tilted so heavily toward despair.
