The Parsifal Mosaic is the one Ludlum novel focused entirely upon the Cold War, and upon the possibility of nuclear war. Other novels such as The Matarese Circle and The Aquitaine Progression use the Cold War as a backdrop, but do not focus on it to the same degree.

The Parsifal Mosaic - Wikipedia

The Parsifal Mosaic. Michael Havelock's world ended on a moonlit beach on the Costa Brava. He stood by and watched as his partner and lover, Jenna Karas, double agent, was coldly and efficiently gunned down by his own agency. There's nothing left for Havelock but to get out, quit the game.

The Parsifal Mosaic is very involving and complex, and in general great fun. Without giving away the inner layers of the story, Michael Havelock is a US spy with a tortured past, who has finally found some happiness with a fellow spy, Jenna Karasova. Unfortunately, he is shown that Jenna is a double agent, and watches her die for her betrayal.

The Parsifal Mosaic: Ludlum, Robert, Brick, Scott: Amazon ...

The Parsifal Mosaic is a well written, complex, somewhat confusing Cold War spy novel written by a guy who used to do voices in commercials. The narrator, Scott Brick does a great job with the voices of the many characters in the book. Czech and Russian language are throughout the novel. It's worth a read.
