Art (World of Art): Cotton ...

This is quite a general introduction to contemporary photograph art, covering a large range of practices in a very open-minded attitude. There is a lack of criticism, for I believe the author's only aim is to introduce the breadth of contemporary photography rather than going deeply into any particular topic.

The Photograph as Contemporary Art by Charlotte Cotton

In the 21st century photography has come of age as a contemporary art form. Almost two centuries after photography was first invented, the art world has fully embraced photography as a legitimate medium, equal in status to painting and sculpture. Concerns the idea that modern art photography is the outcome of the artists pre-conceived ideas, as opposed to the traditional artist's production which would be based on objects presented in front of them. The technical skills seem less important than the idea of the work of art. The photograph becomes the device or tool for documenting a ...

The Photograph as Contemporary Art (World of Art): Amazon ...

A general category for photography from the 1970s onward. Over the past few decades, the medium has been defined by new technologies and formats, among the most important being color photography, digital manipulation, and large-scale printing techniques.

Contemporary photographers often use these developments to present new perspectives on traditional subjects and compositions.

Contemporary Photography | Artsy

The genre of fine art photography is confusing partly because its definition is so vague. Fine art photos are images that are created solely for their imaginative or aesthetic quality. It's the opposite of documentary photography, which seeks to capture life, people, and significant events for memory and historical records. ...

Founded in 1929, The Museum of Modern Art (MoMA) in midtown Manhattan was the first museum devoted to the modern era. Today MoMA's rich and varied collection offers a panoramic overview of modern and contemporary art, from the innovative European painting and sculpture of the 1880s to today's film, design, and performance art.

MoMA The Museum of Modern Art, New York, United States ...

Modern Photography encompassed trends in the medium from the early 1900s through to the 1960s. The move from early photography to Modern Photography is distinguished by a departure from the language and constraints of traditional art, such as painting, and this change in attitude was mirrored by changes in practice.
