Sandra L. Siedlecki, PhD, RN, CNS Eric D. Hixson, PhD, MBA. Citation: Siedlecki, S., Hixson, E., (August 31, 2015) "Relationships Between Nurses and Physicians Matter" OJIN: The Online Journal of Issues in Nursing Vol. 20 No. 3. DOI: 10.3912/OJIN.Vol20No03PPT03 Abstract. Both safety and quality of care patients receive depend upon the quality of the practice environment where care is provided.

Relationships Between Nurses and Physicians Matter

A nurse's personal efforts can go a long way toward improving the nurse-physician relationship, but there are certainly some institutional hurdles that can still exist. It is not helpful for an organization to encourage nurses to speak up about potential errors or problems if the culture also allows physicians to react by blowing up or ...

Nurse & Physician: The Benefits of Collaboration

Physicians treat the disease, while nurses treat the illness or your experience of the disease. Then again, nurses turning doctors and vice versa is also becoming a common thing. So it is okay to shift to the other side if the other thing is not satisfactory for you.

Doctors Vs Nurses: What Are The Differences? - Nurseslabs

Nurse-Physician Communication. Communication between nurses and physicians is arguably the most important link in the chain of patient care. Despite this, it can present challenges. "The lack of co-educational experiences involving the two professions possibly leads to a lack of understanding of what each profession contributes to the interdisciplinary team, and complicates communication between nurses and physicians," according to Cassandra Lee Flicek in MEDSURG Nursing.

Talking It Out: Improving Nurse-Physician Communication ...

Improving collaboration among physicians, nurses and other medical providers is "an excellent opportunity for mid-level providers to get involved in a process, so that physicians can focus more on clinical decision making and allow some of the legwork to be done by their mid-level providers," said Alejandro Badia, MD, a board-certified hand and upper extremity orthopedic surgeon with Badia Hand to Shoulder Center in Doral, Florida.
