Strategy Innovation and the Quest for Value. Profound change in the competitive environment has produced a Cambrian explosion of new organizational forms, institutional relationships, and value-creating possibilities. Schumpeter's gale has become a hurricane. Whether you call it the "digital" economy, the "knowledge" economy, or just the "new" economy, it seems clear that we are on the cusp of an industrial revolution as profound as that which gave birth to the modern age.

Your Business Idea: The Quest for Value
A New Approach: S-BMI. S-BMI addresses the limitations of current approaches. It builds on traditional business model innovation but applies it to a much expanded context. The basic idea is first to test the company's current business model for sustainability against a broader temporal, societal, and spatial context so that its vulnerability to externalities, its sustainability limits, and ...
