Most ebook files open on your computer using a program you already have installed, but with your smartphone, you have to have a specific e-reader app installed, which your phone probably doesn't come with by default. You can use an e-reader app on your computer, too, to make reading and organizing your ebooks easy.

### **The Rainbow Machine Tales From**

The Rainbow Machine is a portal into the mind and methods of an outstanding practitioner of NLP. These journal entries transcend case studies and become teaching tales that convey Andrew Austin's fearless and imaginative attitude toward healing and change. Each tale is at once illustrative example, mind-expanding metaphor, and damn fine storytelling.
