Manual bookkeeping is the “traditional” way of preparing and documenting your business' financial records. In this method, you might use a pen-and-paper ledger, or an offline program like Microsoft Excel or Word to record income, expenses, interest, and any of the other cash flow items that appear in a financial report.

### A Beginners Guide to Small Business Bookkeeping ...

Bottom Line: The Small Business Manual is like having a Business Coach in a book! I'm in in the process of making the leap from employee to owner and everything I needed to know and have explained to me, is in this manual. I even love the fact that the Table of Contents lets you go right to the chunk of information you need the most.
