unless a plot's resolution is absurd or copycat, i figure any book i've read to the end deserves 3 stars. 'the tide' kept me reading, but didn't make me believe that book 2 would be a best-use of my reading devotion. i like apocalyptic and post-apocalyptic stories generally, but i've read too many to go forward in a series without a strong expectation that further installments will earn my ...

Elisabeth Ogilvie (1917-2006) was a long-time resident of Gay's Island and Cushing (52 years) and author of the Tide trilogy set on fictional Bennett's Island (real-life Criehaven): perfect novels that do what perfect novels do, sweep you out of whatever's going on, good or bad, and into a world of tragedy and humor and unpretentiousness, beautifully described and felt. Ms. Ogilvie lived just down the Cushing peninsula from us, but I didn't discover that until it was too late.
