whole story.

## **How To Publish A Book | The Whole Story**

Nother is a real word which functions similarly to other and another, and its use traces back to the early 14th century. In the late 19th century it became more common to see the word nother paired with whole, constructing the phrase a whole nother. The reason this is often seen as an error today is because this phrase is used almost exclusively in dialogue or to represent informal speech in writing.
