Many positive psychology exercises are considered classics - and for good reason. While activities such as gratitude journaling and loving-kindness meditation have been shown time and again to lead to positive outcomes, the goal of this article is to provide a variety of new and novel ways to include positive psychology in your work with clients.

19 Positive Psychology Exercises To Do With Clients or ...

The ultimate goal of guided reading is being able to read a variety of texts with ease and deep understanding. Silent reading means rapid processing of texts with the most attention on meaning, which is achieved as readers move past beginning levels through H, I, and J. At all levels, students read orally with fluency and phrasing.

Guided Reading sessions involve a teacher and a group of around six children. The session would have a set of objectives to be taught through the course of a roughly twenty minute session. Whilst guided reading takes place with one group of children the remaining children are engaged in independent or group tasks.
