Weimer Vining Policy Analysis
Often described as a public policy "bible," Weimer and Vining remains the essential primer it ever was. Now in its sixth edition, Policy Analysis provides a strong conceptual foundation of the rationales for and the limitations to public policy. It offers practical advice about how to do policy analysis, but goes a bit deeper to demonstrate the application of advanced analytical techniques through the use of case studies.

"solution analysis" (Weimer and Vining 2011, 343- 376), which give policy analysis similarity to the clinical professions that diagnose and prescribe (Geva-May 2005). Problem analysis consists of an analysis of both market and government failure and some synthesis of the balance of these failures (see below). Solution analysis

PAR - University of Alaska system
The book begins with a simple example of policy analysis (including the use of the authors' template to select which policy or policies might be best). The remainder of the first part of the book focuses on the nature of policy analysis and professional ethics. The second part is a critical portion of th
