MY WORDS WILL NOT PASS AWAY

REFLECTIONS ON THE WEEKDAY READINGS FOR THE LITURGICAL YEAR 2021/22

Messenger Publications 'Heaven and earth will pass away, but my words will not pass away' (Luke 21:33) At the weekday Eucharist we read from sections of all four gospels in the course of the liturgical year. The reflections in this book are based predominantly on the gospel readings for the weekdays of the coming liturgical year, 2021/22, with occasional references to the first reading. They follow the sequence of the weeks of the calendar year, beginning on the 29th November, Monday of the first week of Advent. In the course of the liturgical year, the gospel readings present us with a significant selection of the words and deeds of Jesus from all four gospels. In and through these gospel readings we encounter the living word of the risen Lord to his church. There is rich fare here to nourish our faith life and to help us to grow in our knowledge and love of the Lord. These short reflections attempt to listen to the Scripture passages on their own terms, while showing how they can continue to speak to our church and our world today. Many people feel drawn to basing their prayer on the Scriptures, in particular the gospels. It is hoped that these reflections will serve as a help to prayer for people of faith. They may also be of service to priests who seek to offer a short reflection on the gospel reading of the day to their parishioners. In parishes where, from time to time, there is a Liturgy of the Word in place of Mass, the Minister of the Word might read the corresponding reflection after the gospel reading. On most week days, the same readings are proclaimed in the church throughout the world in the setting of the Eucharist. To read and reflect upon the readings for the weekdays of the liturgical year is to go on a spiritual journey with the universal church.

OUR DAILY BREAD

EXPOSITION OF THE READINGS OF CATHOLIC MASS

AuthorHouse Word and Sacrament. This is the food that sustains us here on our pilgrimage to heaven. The Word of God and the Sacrament of the altar this is our daily bread. What greater gift could we ask for than to hear the Word of God proclaimed and receive our Lord each day at holy Mass? This is the foundation of our faith; here is the paragon of prayer which strengthens us for our work in this world. In this writing the author has sought to allow the Scripture readings for each Mass (and all Masses of the liturgical calendar are covered: all Sundays and weekdays of Ordinary Time, Advent, Christmas, Lent, and Easter seasons, as well as Solemnities and Feasts) speak for themselves. This is evident in his extensive quoting and paraphrasing of the Word, but perhaps more significantly in his taking as his guiding principle the Lord's instruction not to consider beforehand what to say when brought to bear witness to Him (see Mk.13:11). After reading the Scriptures for the day three times (before dawn), Mr. Kurt let the Spirit direct him writing without revision, trusting entirely in the Lord. Thus describing spiritual realities in spiritual terms (1Cor.2:13), the message and tone of the writing reflect that of the readings themselves; the work is therefore termed an exposition of the readings of Catholic Mass. This book has received an imprimatur from the Most Reverend John J. Meyers, J.C.D., D.D., Archbishop of Newark, New Jersey. Authors Website: www.writingsofjameskurt.org

INDEX LECTIONUM

A COMPARATIVE TABLE OF READINGS FOR THE ORDINARY AND EXTRAORDINARY FORMS OF THE ROMAN RITE

Createspace Independent Publishing Platform "[A]n outstanding resource for the ongoing discussion on the post-conciliar liturgical reform... Matthew Hazell is to be congratulated for creating a comparative tool to facilitate such a debate" -- Fr Uwe Michael Lang, C.O., in *Antiphon: A Journal for Liturgical Renewal* The Index Lectionum is a tool that makes the comparison of the lectionaries of the Ordinary and Extraordinary Forms easier than it has been up until now. All the readings at Mass in both forms of the Roman Rite have been arranged side-by-side in biblical order, with their use in each form documented. This book thus makes it possible to look up a biblical reference and quickly find out if it is used on the same day or celebration in the OF and EF, or where a reading in the EF has been transferred to in the OF, and so on. For all those who love the Church's liturgy, the Index Lectionum is a vital comparative tool for further study of and research into the lectionaries of the Ordinary and Extraordinary Forms: their relationship to one another, their similarities and differences, and their respective pastoral advantages and disadvantages.

GUIDE FOR LECTORS

RECLAIMING OUR ROMAN CATHOLIC BIRTHRIGHT

THE GENIUS AND TIMELINESS OF THE TRADITIONAL LATIN MASS

Angelico Press At the crest of volatile years of experimentation, a new rite of Mass was introduced in 1969—no mere cosmetic treatment but a radical reconstruction of the Church's central act of worship. A minority of the faithful continued to hold fast to the traditional rite, which John Paul II and Benedict XVI gradually freed from restrictions. The steady growth of this "traditionalist" movement inevitably prompts questions in the minds of more and more people. What is it that Catholic laity, clergy, and religious are discovering and falling in love with? Could you—should you—be among them? In this engaging book, Peter Kwasniewski draws on decades of experience and, presuming no specialized knowledge, explains why the traditional Mass operates the way it does, what its distinctive features and benefits are, and how it still captures hearts with a beauty deeply rooted and perennially green. Every reader—whether already a lover of the Mass of Ages or a complete newbie, whether committed or curious, perplexed or skeptical, sitting on the fence or bouncing back and forth between old and new—will find life-changing insights in these pages.

WEAVING THE AMERICAN CATHOLIC TAPESTRY

ESSAYS IN HONOR OF WILLIAM L. PORTIER

Wipf and Stock Publishers Concerned that American Catholic theology has struggled to find its own voice for much of its history, William Portier has spent virtually his entire scholarly career recovering a usable past for Catholics on the U.S. landscape. This work of ressourcement has stood at the intersection of several disciplines and has unlocked the beauty of American Catholic life and thought. These essays, which are offered in honor of Portier's life and work, emerge from his vision for American Catholicism, where Scripture, tradition, reason, and experience are distinct, but interwoven and inextricably linked with one another. As this volume details, such a path is not merely about scholarly endeavors but involves the pursuit of holiness in the "real" world.

SAINTS

BECOMING AN IMAGE OF CHRIST EVERY DAY OF THE YEAR

Ignatius Press Jesus told us to be perfect, and the Second Vatican Council highlighted this command by speaking of the universal call to holiness for all Christians. How do we answer this call? One great way is to learn from and pray with the saints, the ordinary men and women who fought the good fight to be holy until the end of their lives – and won. The saints have inspired Christians for more than two thousand years because they show us what it looks like to follow Jesus Christ despite countless challenges and obstacles. This unique book contains short biographies of several saints, along with prayers to each one, for every day of the year. It also provides definitions of Church terms and other helpful back-ground information. The saints in this collection come from every period of Church history and all walks of life. They represent numerous countries, cultures, age groups, and vocations. They show us that holiness truly is a path open to anyone, and by their example and prayers they help us to follow it.

EVERY MAN A DEACON

WHO IS CALLED TO ORDINATION AS A ROMAN CATHOLIC DEACON

CreateSpace With the restoration of the Permanent Diaconate of the Roman Rite of the Roman Catholic Church in the 1970s, the ministry has grown in dioceses across the United States and Canada. Nevertheless, many parishes, especially the small or rural, have yet to see a deacon ministering within their territories. Does the ministry of deacon make him a "mini-priest"? Or is he a lay minister of special distinction? Deacon Rex addresses these last two questions while building understanding of the ministry of deacon in such a way that, with (1) the approval of his pastor and (2), if married, his wife, each man can decide to make the first step, contacting the deacon formation director in his diocese.

Kregel Publications Straightforward answers about Roman Catholicism for a Protestant audience The Roman Catholic faith is one of the world's most widespread religious traditions, yet the unique aspects of Roman Catholicism elicit perennial questions from adherents and outsiders alike. Using Catholic Church documents and the writings of Catholic scholars, Baptist systematic theologian Gregg R. Allison distills the teachings of Catholicism around forty common questions about Catholic foundations, beliefs, and practices. The accessible question-and-answer format guides readers to the areas of interest, including: Where do Roman Catholic and Protestant beliefs differ? What happens during a Roman Catholic Mass? How does Roman Catholicism understand the biblical teaching about Mary? Who are the saints and what is their role? How can my Roman Catholic loved ones and I talk about the gospel? 40 Questions About Roman Catholicism explores theology and practice, doctrine and liturgy, sacraments and Mariology, contributions and scandals, and many other things, clarifying both real and perceived differences and similarities with other Christian traditions.

A DARKENED READING

A RECEPTION HISTORY OF THE BOOK OF ISAIAH IN A DIVIDED CHURCH

Wipf and Stock Publishers The church in the West has subsisted for five hundred years in a state of ever-increasing multiple identities, many of which claim to be the best representation of the church established by Christ. Often attending novel models of the church are new scriptural interpretive methods that support theological claims. Rarely, however, has an exploration been undertaken to test the impact of this ecclesiological division on the reading of the Bible. A Darkened Reading explores the specific case of the nineteenth-century Church of England and competing interpretations of the book of the prophet Isaiah--a book of great importance in theological history--as a kind of parable of the existential anguish the church has experienced as a consequence of being torn apart.

READING, PRAYING, LIVING THE US BISHOPS' OPEN WIDE OUR HEARTS

A FAITH FORMATION GUIDE

Liturgical Press In 2018, for the first time in nearly forty years, the United States Conference of Catholic Bishops published a pastoral letter against racism. Open Wide Our Hearts is a call to a humble and expansive love that respects human dignity and unites us all in Christ. Now, in Reading, Praying, Living The US Bishops' Open Wide Our Hearts, Alison Benders offers a resource designed to help parishes, RCIA programs, campus ministries, and Catholic readers unpack and grapple with this important document. Benders provides background on the social doctrine that grounds the document, describes why it's so timely, and offers a plan for studying the letter, personally or as a group. In an engaging and accessible way, she walks readers through the scriptural, theological, and moral guidance needed to form our consciences and convert our hearts. And because the work of racial healing is a journey, not an event, each section of the guide also includes questions for personal reflection and attentive discussion and prayers for spiritual renewal or reconciliation.
