## Contemporary Society

### An Introduction to Social Science

*Routledge* This best-selling text emphasizes that social and cultural changes are the pervasive realities of our era. One of the main themes of Contemporary Society is that the transition from an industrial to a post-industrial order in the modern world is fraught with difficulties, as was the transition from an agricultural to an industrial order in an earlier era. Within this framework, we can observe the increasing fragmentation of the social order, which tends to lead people away from community and a common purpose and often invites conflict and disunity. At the same time, countervailing social forces are also at work, providing some stability, some shelter in the storm. Finally, societies are faced with the rapid and transformative power of information technology, a fact that propels separate groups of people into a global entity.

### Race, Monogamy, and Other Lies They Told You, Second Edition

#### Busting Myths about Human Nature

*Univ of California Press* A compelling takedown of prevailing myths about human behavior, updated and expanded to meet the current moment. There are three major myths of human nature: humans are divided into biological races; humans are naturally aggressive; and men and women are wholly different in behavior, desires, and wiring. Race, Monogamy, and Other Lies They Told You counters these pervasive and pernicious myths about human behavior. Agustín Fuentes tackles misconceptions about what race, aggression, and sex really mean for humans, and incorporates an accessible understanding of culture, genetics, and evolution that requires us to dispose of notions of "nature or nurture." Presenting scientific evidence from diverse fields, including anthropology, biology, and psychology, Fuentes devises a myth-busting toolkit to dismantle persistent fallacies about the validity of biological races, the innateness of aggression and violence, and the nature of monogamy, sex, and gender. This revised and expanded edition provides up-to-date references, data, and analyses, and addresses new topics, including the popularity of home DNA testing kits and the lies behind "incel" culture; the resurgence of racist, nativist thinking and the internet's influence in promoting bad science; and a broader understanding of the diversity of sex and gender.

### Race, Monogamy, and Other Lies They Told You

#### Busting Myths about Human Nature

*Univ of California Press* There are three major myths of human nature: humans are divided into biological races; humans are naturally aggressive; and men and women are truly different in behavior, desires, and wiring. In an engaging and wide-ranging narrative, Agustín Fuentes counters these pervasive and pernicious myths about human behavior. Tackling misconceptions about what race, aggression, and sex really mean for humans, Fuentes incorporates an accessible understanding of culture, genetics, and evolution, requiring us to dispose of notions of "nature or nurture." Presenting scientific evidence from diverse fields—including anthropology, biology, and psychology—Fuentes devises a myth-busting toolkit to dismantle persistent fallacies about the validity of biological races, the innateness of aggression and violence, and the nature of monogamy and differences between the sexes. A final chapter plus an appendix provide a set of take-home points on how readers can myth-bust on their own. Accessible, compelling, and original, this book is a rich and nuanced account of how nature, culture, experience, and choice interact to influence human behavior.

## Abuse in Society

### An Introduction

*Waveland Press* Today's headlines are filled with increasingly alarming accounts of abuse by coaches, religious leaders, institutional caregivers, family members, and others. *Abuse in Society* provides an illuminating and timely introduction to the physical, emotional/psychological, and sexual faces of abuse. The text presents a much-needed, in-depth assessment of child maltreatment, intimate partner violence, abuse by clergy, abuse of the elderly and disabled, and abuse in sports. Among the specific problems covered are bullying and sibling abuse, courtship violence and date rape, and abuse in the relationships of sexual minorities. The author explores these complex issues using an ecological approach, examining interacting explanations from a variety of perspectives and levels of analysis: societal and cultural, family, and individual. The author's down-to-earth, conversational style is easy to understand, and his work is exceptionally well researched and thoroughly documented. Those who are pursuing careers in the fields of sociology, psychology, psychiatry, and human-service professions such as social work, pastoral counseling, mental health counseling, marriage and family therapy, and psychiatric nursing will find this text valuable. End-of-chapter resources include a Review Guide, Critical Thinking Questions, Recommended Reading, Internet Resources, and Suggested Activities.

## Shame-Less Lives, Grace-Full Congregations

*Rowman & Littlefield* In **Shame-Less Lives, Grace-Full Congregations**, author Karen McClintock invites readers to become shame-less, so they can assist others in a congregational system to find a life of joy and grace. McClintock explores shame as a theological and psychological emotion, defining it as "a feeling of unworthiness in the sight of God or significant others." While guilt says, "I made a mistake," shame says, "I am a mistake," she explains. With skilled storytelling and gentle humor, McClintock takes readers on a journey in which we learn to recognize the many forms shame takes and explore and heal the shame of our own upbringing, particularly the shame-laden messages within our own religious teachings and practices. She illustrates the ways shame-laden leaders interact with congregations and ways congregational shame influences clergy and laity within the system. She shows us how to recognize shame in the behavior of other leaders and clergy around us, to reduce shame-reinforcing theology, and to provide alternative messages of hope and healing. She also guides us in liberating others from their shame, be they friends, colleagues, or people in a congregation where we worship and serve. McClintock advises readers that eradicating shame may take a few weeks, months, years, or a lifetime. This book is not written so that we can be free of all shame. It is written so we can become shame-less by acknowledging old patterns and consciously changing them, because shame-less leaders create shame-less congregations.

## Vuur dat nooit dooft

## Gender, seksualiteit en theologie in gesprek

*KokBoekencentrum Non-Fictie* Een essentiële basis voor gesprekken rondom gender en seksualiteit in de kerk. **Vuur dat nooit dooft** van René Erwich en Almatine Leene is een onmisbaar theologisch boek over gender en seksualiteit in de kerk. In veel kerken en andere christelijke gemeenschappen leven er vragen over gender en seksualiteit. De praktijk is weerbarstig en er is veel verlegenheid. Ook is er vaak weinig ruimte om dieper op het onderwerp in te gaan en zijn gesprekken vaak eenzijdig. Dit boek geeft de achtergrondinformatie die voor een goed gesprek nodig is. De auteurs geven een theologisch raamwerk waarmee met een bredere bril naar de vragen rond gender en seksualiteit gekeken kan worden. Een onmisbaar boek bij het spreken over deze actuele thematiek.

## Psychology Applied to Modern Life: Adjustment in the 21st Century

*Cengage Learning* Filled with comprehensive, balanced coverage of classic and contemporary research, relevant examples, and engaging applications, this text shows students how psychology helps them understand themselves and the world. It also uses psychological principles to illuminate the variety of opportunities they have in their lives and their future careers. While professors cite this bestselling book for its academic credibility and the authors' ability to stay current with hot topics, students say it's one text they just don't want to stop reading. Students and instructors alike find the text to be highly readable, engaging, and visually appealing, providing a wealth of material they can put to use every day. ## Military Law Review

## Living Out Loud

## An Introduction to LGBTQ History, Society, and Culture

*Routledge* **Living Out Loud: An Introduction to LGBTQ History, Society, and Culture** offers students an evidence-based foundation in the interdisciplinary field of LGBTQ Studies. Chapters on history, diversity, dating/relationships, education, sexual health, and globalization reflect current research and thinking in the social sciences, humanities, and sciences. Coverage of current events and recommendations for additional readings, videos, and web resources help students apply the contents in their lives, making **Living Out Loud** the perfect core text for LGBTQ+ Studies (and similar) courses.

## Real World Psychology

*John Wiley & Sons* **Real World Psychology** balances comprehensive coverage of the key concepts in introductory psychology with a concise presentation style and engages students with current and interesting research that explores these concepts in real-life contexts. **Real World Psychology** features the incomparable author team of Karen Huffman (Palomar College) and Catherine Sanderson (Amherst College) who create an outstanding text that is appealing to students and instructors at a wide range of academic institutions. The new edition has been thoroughly updated and features a new focus on Scientific Thinking and Practical Applications underscoring the fact that connecting the principles of psychological science to everyday life is critical to student engagement, and ultimately key to their success - not only in the introductory psychology course, but in whatever their chosen field of study and in everyday life. Students will leave the course with an appreciation of how a basic, yet scientific understanding of human behavior can benefit them in their studies, in their personal lives, and in their professional endeavors.

## The Psychology of Women

*Cengage Learning* This highly respected text offers students an enjoyable, extraordinarily well-written introduction to the psychology of women with an up-to-date examination of the field and comprehensive coverage of topics. Appropriate for students from a wide variety of backgrounds, Margaret Matlin's **THE PSYCHOLOGY OF WOMEN**, 7th Edition, accurately depicts women's experiences through direct quotations and an emphasis on empirical research. Known for its balance of scholarship, readability, and inclusion of various kinds of women, the text reflects a genuine interest in and understanding of the readers for whom it was written. This edition is updated to incorporate the most current research, and continues to examine numerous topics that are central to many women's lives but omitted from competing textbooks, including complete chapters on childhood, adolescence, love relationships, motherhood, health psychology, and psychological disorders. Matlin also provides enhanced coverage of such important topics as social class, ethnic diversity, pregnancy, and women's retirement as she continues to lead the way for the psychology of women course. ## Development Through Life: A Psychosocial Approach

*Cengage Learning* Newman and Newman use a life-stage approach to present development across the life span, drawing on the psychosocial theory of Erik Erikson to provide a conceptual framework for the text. The authors address physical, intellectual, social, and emotional growth in 11 life stages, from the prenatal period through elderhood, focusing on the idea that development results from the interdependence of these areas at every stage, and placing special emphasis on how optimal development may be fostered throughout life. Updated with new research findings throughout, **DEVELOPMENT THROUGH LIFE: A PSYCHOSOCIAL APPROACH**, 13th Edition, provides a balanced view of normative patterns of development and diverse pathways, considering individual, family, cultural and societal factors that contribute to the diversity of life stories.
