THE SYLVIA BROWNE BOOK COLLECTION

Hay House Incorporated Sylvia Browne's Book of Angels Sylvia talks about her personal experiences with angels, presents extensive research on the subject, and offers heartwarming stories by numerous contributors. Today, as the nightly news reports one disaster after another, books, TV shows, and movies are filled with tales of angels. Is it mere coincidence, or are angels making their presence more actively known? In these chaotic times, this work makes sense of it all—offering us reassuring messages from these beings of light who surround us each day. Secrets & Mysteries of the World Using a combination of information from her spirit guide Francine as well as her own incredible psychic powers, Sylvia augments current scientific research to provide us with detailed explanations about seemingly inexplicable concepts. From the Great Pyramid to Stonehenge, Sylvia reveals amazing facts about some of the world's most mysterious sites. The truth behind sacred and controversial topics such as the Shroud of Turin, the Holy Grail, and the lost years of Jesus are also brought to light; and fascinating and mystifying subjects such as crop circles, vampires, voodoo, Atlantis, extraterrestrials, Easter Island, and many more are examined and clarified. Sylvia tears away the obscure and timeworn explanations that hide the underlying truths about these phenomena, taking us on a fabulous journey that unlocks the secrets and mysteries that surround us in this "wonder-full" world. If You Could See What I See This enlightening book contains the Gnostic tenets of Sylvia's church, the Society of Novus Spiritus, and is a map of our charts—regardless of what spiritual path we follow. It has taken many years of research to put together this information, but as we go deeper, we can see that this book carries within it the very heart of humankind's search for our own spirituality. Sylvia has also included many details from her own personal journey, which she feels is comparable to the quest that each of us follows to find our own God-center. As we travel on this road, we can realize that long-forgotten yet inherent goal of viewing our life on Earth as our path to God.

MOTHER GOD

THE FEMININE PRINCIPLE TO OUR CREATOR

ReadHowYouWant.com Sylvia Browne, in her own inimitable style, again defies convention in this uniquely informative compilation of diligently researched facts and personal accounts about the premise of a female divinity - namely, the Mother God (also known as the feminine principle). Spanning time, from the earliest beginnings of humankind when "Goddess worship" was at its peak, to the current era with its myriad beliefs and religions, Sylvia takes us on a journey of discovery, where she discusses the suppression of the "Mother Goddess" by the male-dominated politics of modern-day religious dogma. Using a combination of historical data and poignant and heartwarming stories that reveal the power and miracles attributed to the Mother God, Sylvia leads us from the question of "Does She exist?" to the logical, fact-based conclusion that She does ... and then shows us how to call on Her to help us in our everyday lives.

THE SECRET HISTORY OF PSYCHICS

HOW TO SEPARATE FACT FROM FICTION - AND TAP INTO YOUR OWN PSYCHIC ABILITIES

Touchstone **HOW DO PSYCHIC ABILITIES WORK . . . AND HOW CAN YOU TELL IF THEY'RE REAL?** Celebrity psychic and #1 New York Times bestselling author Sylvia Browne takes a fascinating look into the history of psychics dating from biblical times as she reveals the truth about spiritual phenomena like witches, talking boards, angels, astral projection, and more. Did you know . . . • If someone tells you that an object is "haunted," they are probably fooling you. Objects can retain impressions of prior owners, but they don't contain the spirits of those on the Other Side. • If you get rid of one item in your house, it should be the talking board. Using one is like leaving your front door unlocked, inviting anyone (good or evil) to waltz right in. • Sylvia didn't believe in "living ghosts" until she had a terrifying experience that changed her mind. The phenomenon called a doppelgänger happened to her more than forty years ago. • It's possible to tell if a psychic is giving you a good reading or just following a script. A few key phrases can give away a fake. Through a wealth of personal stories and research into the lives of great psychics, Sylvia offers solid advice on how to put valid procedures to use and ignore the rest. **The Secret History of Psychics** explains how you can spot a fraud and shows you how to tap into your own legitimate psychic skills!

MY SPIRITUAL READING CARDS

"The 74 cards in this deck can be used individually for meditation, or a group of them can be utilized for spiritual insight into your own life. Regardless of how you use them, I know that they'll give you a greater understanding of your true self and help you see that you were created for a purpose by God, who loves you deeply. Always remember that spirituality isn't measured by fame or acclaim, but by the large and small deeds that sometimes only you and God know about. "These cards will not give you spirituality . . . that you must find for yourself—but they will give you more insight into the Universal Truths that God has always made available to anyone who searches for them. People tend to get caught up in the hectic affairs of life on Earth, so these cards are designed to help you attain the peace and wisdom that occurs when you realize your own spiritual center." — Sylvia Browne

PSYCHIC

MY LIFE IN TWO WORLDS

Hachette UK **PSYCHIC** is the intimate, first-person, unapologetic, no-holds-barred story behind the story that Sylvia, at the age of 72, is finally ready to tell. In **PSYCHIC**, Sylvia will reveal the little known truths behind her three failed marriages, including the physical abuse, bankruptcy and legal troubles. While the press had a field day writing about it at the time, Sylvia remained quiet...until now. Sylvia will discuss her painful transitions and the financial and emotional damage inflicted by her husbands. And as an almost parenthetical lesson for all of us in forgiveness and compassion, she'll describe the experience of moving husband Dal Brown back into her house to take care of him when she learned that he was alone and in failing health. Then there are Sylvia's own physical challenges, from a series of painful hip surgeries to her relatively recent discovery that she'd suddenly gone blind in

one eye, so that, at the age of 72, when she'd concluded that a limping, one-eyed woman was done when it came to romance, no one was more shocked than she when the real Mr. Right finally, impossibly showed up.

CONVERSATIONS WITH THE OTHER SIDE

ReadHowYouWant.com This book is a dissertation on life, afterlife, and reincarnation given by Sylvia Browne's spirit guide, Francine. Within these pages, you'll find a 'gnostic' view of the world and the reason for life. As always, we encourage the reader to 'take what you like and leave the rest behind.' No single work can fully capture this enormous topic. We simply offer this book as a resting point in your lifelong search. Our goal, and hopefully yours, too, is to stimulate your mind to seek God - however you wish. We don't intend to replace your belief system. Rather, we only hope to expand your view to include areas not yet explored. Each person will find and understand God in their own way. This book offers one path, among billions, to find God.

PRAYERS

ReadHowYouWant.com The pages of PRAYERS are taken from Sylvia Browne's sermons, delivered at her church, Society of Novus Spiritus. In each case, the words were "infused" into her by her spirit guide Francine, and of course, by God. Granted, these words are a passive mode of prayer, yet the goal is to recharge your spiritual battery so that you'll be able to go out into the world and do God's work. "Over many years of public work, people have often asked me how to pray. My answer is simple, 'Just talk to God, and make your life a living prayer. These prayers will lift your soul and let you magnify the Lord. They have done so for me and thousands of others. Many miracles have occurred by the power of prayer, and now I want to share these commanding words with you.'"
