Saswati Das **The book is a passionate journey through varied emotions experienced in human life. It voices from the pain of loneliness and yearning of heart for love to the radiance of such idealism that can transcend all pain and sacrifice all joy for the sake of service above self. It glorifies the innocence of romantic love to the height of divinity and then breaks all barriers of individualism to mingle itself with universal love. It voices the pain of the oppressed and the unfortunate and urges the youth**

to change this world into a better place to live in. The simplicity of the language can convey its message to people from all walks of life and the depth of feelings reflected in the words can touch even a soul, which has never seen the world through the melody of poems, and make it love poetry.

Goodbye Unicorns

Based on a True Story.

Createspace Independent Publishing Platform "Goodbye, unicorns." "What?" My heart dropped. "What?" was a stupid question. I knew exactly what she meant. Still, it was hardly the kind of thing I expected to hear a seven-year-old girl mumble as she headed out her bedroom door for what would probably be the last time. To an onlooker, it might make sense. Her room was, in fact, a pink and purple web of horned horses she'd spent more than half her life believing in. But I knew the rest of the story. And her words told me this was worse than a kid finding out about Santa. 'Goodbye unicorns' wasn't happening. Not on my watch. The true story of a little girl looking to find a new faith in the world after losing her mother to the drug epidemic, *Goodbye Unicorns* is a story of love, loss, rebuilding, and what it takes to restore magic for a kid has no reason to believe it exists... Could you have faith again?
